THE **angel**
AFFAIR

September 7, 2024

6:00 - 10:00 P.M.

La Cantera Resort & Spa

spread your wings with us

Any Baby Can was born over 40 years ago with the mission to serve families with children and youth facing serious health or developmental challenges. Since 1982, we have stayed true to that mission.

In 2023, Any Baby Can experienced one of our highest impact years to-date, with 9,586 lives touched and just over \$2,000,000 in care provided - a 13% increase over 2022.

ABC provides holistic, family-centered care for any family with a child with a special healthcare need, regardless of income or diagnosis. We believe in the power of community to heal. We believe in the power of parents to advocate for their children. And we believe in you, our supporters, to continue to help us grow and serve more families this year and in the future.

We are so excited to bring back The Angel Affair for its fifth year. We invite you don your best all white attire and spread your wings with us. It wouldn't be a proper celebration without you.

Jenny Hixon
CEO

"Thank you for helping our family in our most tragic time in our lives. It was such a relief knowing that there are resources available to be there for families that are in the stage where they are planning for their child's future only to have that future taken away."

Parent assisted by ABC Grief & Child Loss Services

"Any Baby Can has helped us get all the support we need in helping to bring all these resources to one spot! We knew God and luck were on our side when we found Any Baby Can."
