

APRIL 5, 2025

8AM-12PM

**CANYON
HIGH SCHOOL**

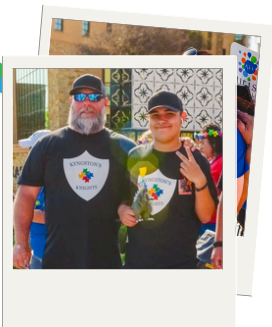

A WALK. WITH PURPOSE.

1 in 36 children nationwide are diagnosed with autism.
April is National Autism Awareness Month - we hope you'll join us to Walk, Grow, and Support! The New Braunfels Walk for Autism Saturday, **April 5, 2025.**

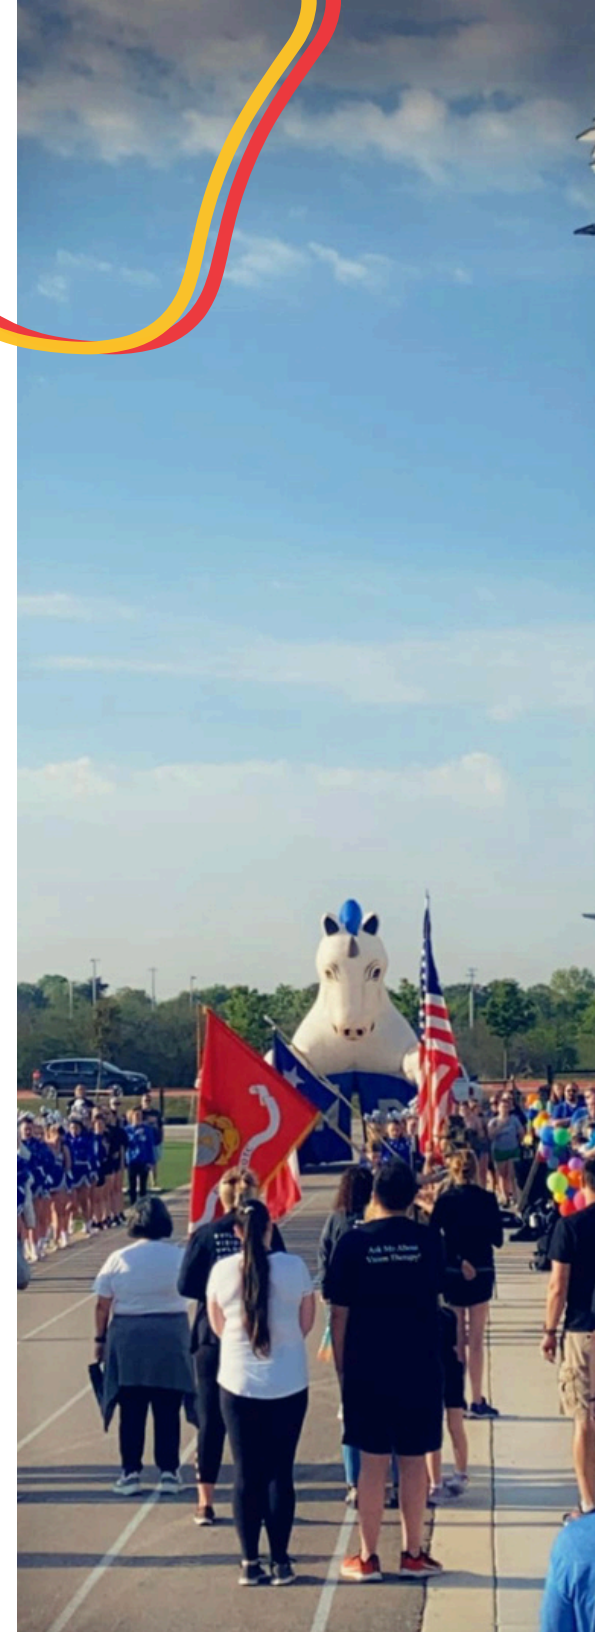

In Comal and surrounding counties, over 30,000 individuals are living with Autism. That means you or someone you know has a close connection to a child or individual who lives with Autism and whose daily lives are challenged by this diagnosis.

New Braunfels hosted their first Walk for Autism in 2019. The event has become a critical part of increasing services provided to families raising children with Autism. The incredible involvement of NBISD, CISD, the McKenna Center, and our Community Partners has paved a way for Any Baby Can-NB to provide services and support for families raising individuals on the spectrum. All proceeds stay local to fund critical, one-of-a-kind programs at Any Baby Can-New Braunfels.

**"SINCE I HAVE AUTISM, I THOUGHT I WAS DIFFERENT.
ANY BABY CAN HAS SHOWN ME THAT I'M NOT DIFFERENT,
WE'RE ALL THE SAME."**
